

Trek Parts

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience effectively marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to providing top quality and new design concepts to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They enjoy providing items that energize both their dealers and their partners and offer production gains to their customers.

The TREK team of staff likes new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' requirements and skills along with their knowledge of cleaning applications, along with owners' strong desire to significantly reduce expense through productivity gains.

The personnel at TREK and their dealer-partners are really committed to having both technical support and parts available when it is needed. Their high service dedication is amongst the core values in their customer service. Keeping their customers' cleaning machines ready and working day after day is top priority. The company's top of the line technology delivers reliable machine which eventually lessens your cost of cleaning. The service, the product and the price all work together so as to make them an industry leader.
