

## American Lincoln Parts

American Lincoln Part - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines which are known in the industry as strong and durable equipment that suits the needs of heavy industry and larger infrastructure. Products made in America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company who is presently likewise owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to provide parts, warranty service and machines for these scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where results and efficiency count. Lately, this particular floor scrubber model has been used by the architects in various construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on location due to the model's supreme performance level and high standard of quality for polishing concrete.
